

CARBONLESS FORM

Finished Product Size: 5.5" wide by 8.5" high

SMARTPRESS

BLEED - Carbonless Forms are printed with no bleed. More information on bleeds can be found on our website: www.smartpress.com

SAFE MARGIN - Your file needs to include a 0.125" safe margin necessary for production. Safe margin is the area around the edge of the sheet. If the safe margin is not included in document setup, there is a chance that the art close to the edge will get cut off due to machine shift during cutting. This happens because there is a tolerance when cutting the printed piece. More information on Cutting Tolerance can be found on our website: www.smartpress.com
